

THE U.S. PRESIDENT'S VOLUNTEER SERVICE AWARD

Junior Achievement appreciates the incredible efforts of the following partners for their commitment to volunteerism in the 2022-2023 school year. We are proud to announce the recipients of the 2022-2023 U.S. President's Volunteer Service Awards:

The U.S. President's Volunteer Service Award is a presidential recognition program created in 2003 by the President's Council on Service and Civic Participation for individuals of all ages who contribute a significant amount of time to volunteer service. In 2006, Junior Achievement became an official certifying organization for this award because of its national reach and standing. This status allows JA to bestow this honor to corporations with a U.S. presence that provide volunteers to teach JA programs anywhere in the world.
